**SUBJECT OF EXAMINATION:** The written test is designed to test for knowledge, skills, and/or abilities in such areas as:

1. **EDUCATING AND INTERACTING WITH THE PUBLIC** – These questions test for a knowledge of techniques used to interact effectively with individual citizens and/or community groups, to educate or inform them about topics of concern, to publicize or clarify agency programs or policies, to negotiate conflicts or resolve complaints, and to represent one's agency or program in a manner in keeping with good public relations practices. Questions may also cover interacting with others in cooperative efforts of public outreach or service.
2. **HIV/AIDS AND RELATED ISSUES** – These questions test for knowledge of characteristics, problems, education, and treatment related to HIV/AIDS prevention, identification, and treatment. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order and then asked to choose from four suggestions the best order for the sentences.
4. **SUPERVISION** – These questions test for knowledge of the principles and practices employed in planning, organizing and controlling the activities of a work unit toward predetermined objectives.
